

ERA OF MEGAFIRES

A PUBLIC EVENT & CONVERSATION ABOUT LARGE WILDLAND FIRES

This 70-minute presentation features Dr. Paul Hessburg and his more than 27 years experience in fire and landscape ecology. The multi-media event merges short, topic-based talks with compelling video and photographs. This engaging event will promote discussion about solutions surrounding future large wildland fires.

April 25, 2017 at 6:00 pm

(doors at 5:30 pm, seating is limited)

Flathead Valley Community College
