

# The Fire Problem

Directed by Sean O'Brien and Antonio Torres

Film screening and panel discussion

University Center Theater,  
University of Montana  
Wednesday, February 12

6:00 PM – Welcome and introduction by Dr. Colin Hardy (USFS, retired)

6:10 PM - Screening of “The Fire Problem” (runtime 56 minutes)

7:10 PM – Panel reflections followed by questions from the audience (see back for panel members)

Thank you for being part of this conversation! We know that these topics can be difficult to discuss and ask everyone to please be respectful of the opinions and experiences of others.
